## **VI. BOARD DIRECTOR REPORT**

### **A. Discussion Items:**

Sean Gorman formally introduced the Board's new Assistant Board Director, Lori Grice.

#### **1. Sierra Dingus order – request to amend facts**

Mr. Dingus had submitted a written request for the Board to amend his previously issued final order on the grounds that the facts did not accurately reflect the undisputed documentation presented to the Board in conjunction with his personal appearance. A motion was made and seconded to amend the order as requested.

LAUX/BURGHDIFF  
Motion carried 5-0-0, Ms. McInstosh was absent while conducting a settlement conference

#### **2. APN Prescriptive Authority Audit**

Mr. Gorman discussed with the Board Members the 12 instances of partial noncompliance determined by the recent APN prescriptive authority CE audit. Many of those licensees disputed the finding on the grounds that the coursework taken satisfied the requirement that 8 contact hours be in pharmacology. Marcia Plant Jackson, Advanced Practice Nurse Subcommittee member and CAPNI representative, explained how some credentialing bodies recognize and award separate contact hours for pharmacology for the same course, while many others do not. There is also widespread utilization of CMEs for APNs attempting to satisfy this requirement, which does not award separate credit for pharmacology content. The Board discussed the situation and directed Mr. Gorman to work with Ms. Slagle and the Advanced Practice Nurse subcommittee on providing an assessment and clarification of the CE requirement. A motion was made and seconded to have Mr. Gorman send letters to the partial noncompliance licensees explaining the situation and rescinding the notices of noncompliance.

SLAGLE/LAUX  
Motion carried 7-0-0

3. Approval of military nurse training programs as an alternative to LPN education

Mr. Gorman submitted information from a Navy trained health care worker requesting the opportunity to apply for licensure by examination as an LPN. Currently, the only recognized alternative the Board acceptable to the Board as LPN education program training is the Army's course at Ft. Sam Houston. Mr. Burghduff discussed the different focuses of the programs and recommended that the Board take no action, leaving the Ft. Sam Houston program as the only acceptable alternative to an accredited LPN nursing program education as a prerequisite for licensure eligibility as an LPN in Indiana.

4. Retaking the NCLEX for expired renewal applicants as an alternative to a refresher course

The Board discussed recent expired more than 10 years renewal applicants' request to retake the NCLEX as an alternative to the Board's consistent requirement that the applicant complete a refresher course. The Board declined to further consider this as a viable alternative to the refresher course due to the importance of a clinical component in coming back into the profession.

## VII. PERSONAL APPEARANCES
